It's the How you rob a nigga without a gun for me
How you keep catching charges & gettin bonds for me
Its the I only flex when I get loans for me
Its the scamming hoe I fuck for some phones for me
Its the roley for me

Yea I'm goin up go get a ladder for me
Yea I'm pouring up 3 in the Fanta for me
She in Texas, she flew to Atlanta for me
Ion give a fuck bout no V.I.P wristband
They book me up, fuck around and throw up the back end
My brother couldn't make the show he got the pack in
I'm mad that I fuck that hoe she got some bad friends

Its the braggin on your pussy when I get in it you runnin for me
Fuck up her hair do her then buy her some weave
Yea she bad but she get naked for weed

It's the putting guns on the gram for me
Met a hoe from chiraq said she knew a lil Reese
I'm making moves and ain't renew her the lease
Foot on they neck got my hands on a check
I ain't takin a Bet unless they betting the house
I got lean in a drought
I made money in the pandemic
Paramedics they dying for attention check pulse
You might die with that smoke
