

Hellraiser

Rylo Rodriguez

Homicide got us traumatized make em choose sides if they undecided
On site when we see them boys we want more smoke than a vaporizer
Ride by hanging out the window give em no sympathy like the wolverines
 Fucked a college hoe she won't leave me lone so I stiff on her like I won a
Heisman

Pull up Dooley truck I got big pull
We ain't playing a tug of war they jus dick pull
Had to put my dawg up on the bench cause he ain't shoot he hesitated
Too much pain I know they see it up in my face like Hellraiser

Been pulling pins up out my face for like a hour straight
These niggas gay they ain't got no heart we call em holiday
Lil Heavy was sick up on dat court somebody call doctor Jay
Had to go in the room and ask ma why she got 2 microwaves
Say one for the food, and one for the water so yo ass can bathe
He been locked in a room so he write his daughter like he'll be home soon
That Lil hoe a freak get ran through the family tho she ain't get home schoo
l

I was trying my best to do good by my people and get burnt up in return
Finesse and try to bring it back he'll get burnt up in return

Money tall that's Howard Stern

I knew that they all would turn

I wouldn't watching a funeral pass but I knew they all would turn
Everybody went and bought a perm they telling me keep my head straight
Like a brick laying on the floor come get you a lot key

Won't let that bitch play with me twice even if we in O.T.

She gone fuck every nigga in the league

Catch her off the scene

Grabbing old mattresses off the street couldn't afford a trampoline
Tol me in the game at the end I'ma tell em no but my name ain't Dan Marino
He ain't a idiot he gone serve his block dropped percs in my bacon beans
Building cases broad days I ain't tryna listen what God say
I ain't tryna talk to none of these rappers or fuck with em I'm not sway
They betrayed me one to many too times
Stone cold I know Fig ride for me that's the bottom line

Homicide got us traumatized make em choose sides if they undecided
On site when we see them boys we want more smoke than a vaporizer
Ride by hanging out the window give em no sympathy like the wolverines
 Fucked a college hoe she won't leave me lone so I stiff on her like I won a
Heisman

Pull up Dooley truck I got big pull
We ain't playing a tug of war they jus dick pull
Had to put my dawg up on the bench cause he ain't shoot her hesitated
Too much pain I know they see it up in my face like Hellraiser

Been pulling pins up out my face for like two hours straight
Young nigga see ya flexing up in the club can't wait to follow ya home
Lil Pooh died from cancer thank God we ain't get no answers
Nut her mouth she ran off with my kids she still won't get no ransom
Hoe still won't get no call from me if my phone 100%
Them hoes tryna share location I was broke I ain't even know where they went
I ain't watching the Lion King but they turnt they back why they want scar m
e
Got me popping these pain pills tryna change the feel but I ain't no referee
My granny died, my grandpa died, my uncle died the same year
It was homicide right by the playground I pray they don't swing here

Niggas changing sides like Churches chicken but I ain't even wearing no hair
net
Put a bullet in his head like a [?]
Fuck sneak dissing I'ma come direct
No Comcast I'ma come direct
Took the rubber bands out my sister draws
Tie the money up put the shit under the bed
Say it's the root of evil
Too much boogie man under the bed it got me scared
Streets had taught em so many lessons school they thought he was special Ed
7.62 them hoes retarded want smoke we gone get it in special Ed

Homicide got us traumatized make em choose sides if they undecided
On site when we see them boys we want more smoke than a vaporizer
Ride by hanging out the window give em no sympathy like the wolverines
Fucked a college hoe she won't leave me lone so I stiff on her like I won a
Heisman
Pull up Dooley truck I got big pull
We ain't playing a tug of war they jus dick pull
Had to put my dawg up on the bench cause he ain't shoot her hesitated
Too much pain I know they see it up in my face like Hellraiser

Been pulling pins up out my face for like 3 hours straight
