

# ONE LAST TIME

Ryman Leon

One last time  
Would you come back home to walk back out my life  
One last time

I was fine  
And I tried  
But something wasn't right  
In my mind  
You were mine  
But I was your hidden lie  
It was always wrong  
But we still held on  
We were blurring all these lines  
I was fine  
Or I tried  
It's hard saying goodbye

One last time  
Would you come back home to walk back out my life  
Left me on my own and I almost didn't cry  
One last time for you to fuck up my whole life  
One last time

Oh darling, I'd be all in  
Swear I can change be all I promised  
I'm honest if you're calling  
I'd be on my way in case you wanted

One last time  
Would you come back home to walk back out my life  
Left me on my own and I almost didn't cry  
One last time for you to fuck up my whole life  
One last time  
One last time  
One last time  
One last time
