

ordinary

Ryman Leon

Out of Houston
Back on I 10
Driving out of California
I don't know yet
If I should make my way to Boston
I'd book a flight
I don't care about what it cost
If you're all in

Because I don't want to pretend
Everything that we said
Was it just all in my head
So every time that you speak to me
Don't sound so sentimental

Girl
Why'd you let me go
Why'd you have to break me down
And leave me at my low
Am I too ordinary
Girl
You're the one I can't let go
I don't want to chase you
When you're the one that's wrong
Am I too overbearing

And you've been out of state
Going out to eat
With people we would talk about
And I'm miles away
You would laugh at me
My grandma won't even call me back
And you think its cute when you turn up
But I'm depressed as fuck now
And you think its cute when I'm stressed out
But I'm just burnt the fuck out

So I don't want to pretend
Everything that we said
Was it just all in my head
So every time that you speak to me
Don't sound so sentimental

Girl
Why'd you let me go
Why'd you have to break me down
And leave me at my low
Am I too ordinary
Girl
You're the one I can't let go
I don't want to chase you
When you're the one that's wrong
Am I too overbearing

I wish I never knew you're name
And played these stupid fucking games
I wish I never knew you're name

I hate these stupid fucking games

Girl

Why'd you let me go
Why'd you have to break me down
And leave me at my low
Am I too ordinary

Girl

You're the one I can't let go
I don't want to chase you
When you're the one that's wrong

Girl

Why'd you let me go
Why'd you have to break me down
And leave me at my low
Am I too ordinary

Girl

You're the one I can't let go
I don't want to chase you
When you're the one that's wrong
Am I too overbearing

I hate the person you became
And every time I hear your name
You're so fucked up by society
I hope you know that its all fake
