Rytmus

Is your secret safe tonight,
And are we out of sight,
Will our world come tumbling down?
Will they find our hiding place,
Is this our last embrace,
Or will the world stop caving in?

It could be wrong,
Could be wrong,
But it should have been right,
It could be wrong,
Could be wrong,
To let our hearts ignite,
It could be wrong,
Could be wrong,
Are we digging a hole?
It could be wrong,
Could be wrong,
This is out of control,
It could be wrong,
Could be wrong,
It can never last,
It could be wrong,
Could be wrong,
Must erase it fast,
It could be wrong,
Could be wrong,
But it should have been right

Love is our resistance,
They'll keep us apart and they won't stop breaking us down
Hold me,
Our lips must always be sealed

If we live our life in fear,
I'll wait a thousand years,
Just to see you smile again
Kill your prayers for love and peace,
You'll wake the thought police,
We can't hide the truth inside

It could be wrong,
Could be wrong,
But it should have been right,
It could be wrong,
Could be wrong,
To let our hearts ignite,
It could be wrong,
Could be wrong,
Are we digging a hole?
It could be wrong,
Could be wrong,
This is out of control,
It could be wrong,
Could be wrong,
It can never last,
It could be wrong,

Could be wrong,
Lets erase it fast,
It could be wrong,
Could be wrong,
But it could have been right

Love is our resistance,
They'll keep us apart and they won't stop breaking us down
Hold me,
Our lips must always be sealed
The night has reached its end,
We can pretend,
We must run...
We must run...
It's time to run...

Take us away from hell,
Protect us from further harm,
Resistance...
