

## Dragon, Fly Free

RYUJIN

Follow the sky (but I'm afraid to fly)  
Ride with me (I can't trust you)  
You can fly, you can fly  
Take back your soul (I want to be free)  
Broken rules (I will be brave)  
We can fly, we can fly

Show me your flight  
Show me your pride

We can fly free, make sky our home and the kingdom sky  
We don't need to cry and we need not feel sorrow  
Believe in yourself and trust in me, we can make this kingdom o  
urs  
Look up to the sky and feel the wind and universe
