

Crestfallen

S. Carey

I love you anyway
Don't be afraid

I'll be here till the end
I'll be a friend
Don't be afraid

Our time is paramount
We're running parallel

You know I'll carry on
I'll end up in this song
But I won't look down

Don't get me very wrong
I'm crestfallen
I'm crestfallen
I'm crestfallen

Not all for naught
Not all for naught
Not all for naught
Not all for naught
