do do do

Hello friend, it's me again
I just called to tell you,
Even though I miss you so
I've been thinking of you
All my dreams are coming true, at last...oooh

The perfect ending to a wonderful year (oooh)
Will be to celebrate the good times with you here
Cuz I know,
For sure,
I never wanted anything more

The greatest gift that there could be
Wrapped underneath my Christmas tree
Would be the same my whole life through
I'd spend the perfect Christmas with you
Though the winter seems so long
My faith in love has kept me strong
So if I had a wish come true
I'd send the perfect Christmas with you

I can't wait
Till the day
When I finally see you
So hold on
I won't be long
Got so much to show you
All our dreams are coming true at last...oooh

The perfect ending to a wonderful year
Would be celebrate the good times with you here
Cuz I know
For sure
I never wanted anything more

The greatest gift that there could be
Wrapped underneath my Christmas tree
Would be the same my whole life through
I'd spend the perfect Christmas with you

Whoa...whoa...

So when you ask me what I mean
To me the Christmas is complete
Boy can't you see
You're the one thing missing for me

The greatest gift that there could be
Wrapped underneath my Christmas tree
Would be the same my whole life through
I'd spend the perfect Christmas with you

Though the winter seems so long
My faith in love has kept me strong
So if I had a wish come true
I'd send the perfect Christmas....

And if I had one wish come true....
I'd spend the perfect Christmas here....
with you
