

Slip Away

S.E.S.

Although you're far away
I finally found a way
To see you
Last night I took a trip
Like I always said I would
Into your dreams

Do you remember
Do you remember
Do you remember
or was it just me

Do you remember
Do you remember
Do you remember
or was it just me

Don't get in the way
Don't get in the way
Don't let it get in the way

Don't get in the way
Don't get in the way
Don't slip away

Don't get in the way
Don't get in the way
Don't let it get in the way

Don't let it slip away
You think it's just a dream
But hold on to me

I knew you were afraid
'Cause you've never been this way
So I led you
I took you to a place
Where we danced around and played
And you held me

Do you remember
Do you remember
Do you remember it
or was it just me

Hope you remember
Hope you remember
Hope you remember
'Cause it wasn't just me

Don't get in the way
Don't get in the way
Don't let it get in the way

Don't get in the way
Don't get in the way
And don't slip away

Don't get in the way
Don't get in the way
Don't let it get in the way

Don't let it slip away
It's not just a dream
It's another reality for me and you
Another another reality for me and you
(Yeah, reality
Yeah, reality)
