

Akari ga sora o sebameru zattou no sukima o terasu
Itsumo to onaji keshiki ni kyou wa hitori najimenai
Surechigau egao wa minna shiawase shitteru mitai
Nani mo wakaranaku natta no tonari ni anata ga inai kara

Shinjiteta eien wa aru to zutto
Kanjiteta sono te no nukumori o ima mo
Konna ni mo wasuretakute anata no subete o
Omoikaeshite shimau nante mata suki ni natteku nante
Watashi no sei na no ne? I know I'm nothing without you

I'm flying to you moshimo yurusareru nara kibou to iu na no tsu
basa de ano hi e kaeru noni
I'm flying to you koko kara hajimaru no uso mo kumori mo nai ma
ssara na mama ni iku yo
I wanna be true

Katte na koto bakari itte komarasete tanoshindeta
"Soredemo soba ni ite kureru?" sono kimochi tashikameteta
Hontou no ai o oshiete yogoreru sube o shiranakatta
Shiroku kirei na sono kokoro o kizutsuketa no wa watashi na no?

Wagamama ya ijiwaru na koto de shika itsumo
Kono kimochi o tsutaerarezu ni ita soshite
Konna ni mo wasuretakute anata no subete o
Omoikaeshite shimau nante mata suki ni natteku nante
Anata no sei na no yo? I'm sure I'm nothing without you

I'm flying to you moshimo yurusareru nara kibou to iu na no tsu
basa de ano hi e kaeru noni
I'm flying to you koko kara hajimaru no uso mo kumori mo nai ma
ssara na mama ni iku yo
I wanna be true

When I turn the corner, must be an answer, though I still wonde
r from the top of a tower
You were like a dreamer or a beautiful flower, we were together
but it's no no no no longer
My lonely tears knocking on your door whenever I'm standing all
alone in the center
You just remember and now I can swear, I love you forever and e
ver and more...

I'm flying to you moshimo yurusareru nara kibou to iu na no tsu
basa de ano hi e kaeru noni
I'm flying to you koko kara hajimaru no uso mo kumori mo nai ma
ssara na mama ni iku yo
I wanna be true, I wanna be true, I wanna be true...I'm gonna b

e true to you...
