

## Distant

S-X

I'll be coming for someone else  
Leaving you at home is not my choice  
It'll fix itself is what I tell myself  
Ok, tell why are we so distant  
You don't text me, I don't hate you  
The crazy thing is I don't miss you  
I just need someone to call my home to (Yeah)  
Tell me why you cancel contact (Yeah)  
You can call me when I come for you (Yeah)  
I just might not answer  
But you know I'm the one who has to come for you

So when I land  
And hop off the plane  
Everythings changed  
No longer the same  
Will you be there? (Yeah)  
You set a way  
Cause you needed time  
If it's the real, then you will be mine  
But how is this fair? (Uh)

And I'm sorry  
For trying for so long to get you on me  
But tell me am I wrong for you to want me (To want)  
Things change as time went on  
And I'm sorry (I'm sorry)  
Said I'm sorry (I'm sorry)  
And I'm sorry (I'm sorry)  
For trying for so long to get you on me  
But tell me am I wrong for you to want me (To love me)  
Things change as time went on  
And I'm sorry (I'm sorry)  
Said I'm sorry (Yeah)

You might not be the answer  
Why you wanna move so fast for?  
I was not like this last year  
You are my [?] (Uh, yeah)  
I take it slowly, I do  
You sit there watching me  
You want it all the night  
I'm waiting patiently  
You do not like your friends  
They do not get your vibe  
Tell me you won't see them again  
But I know what you're like  
You take back what you say  
Then you're with them again  
I know it's always the same  
And it will never end (Oh, oh, oh)

And I'm sorry  
For trying for so long to get you on me  
But tell me am I wrong for you to want me (To want)  
Things change as time went on  
And I'm sorry (I'm sorry)

Said I'm sorry (I'm sorry)  
And I'm sorry (I'm sorry)  
For trying for so long to get you on me  
But tell me am I wrong for you to want me (To love me)  
Things change as time went on  
And I'm sorry (I'm sorry)  
Said I'm sorry, yeah

Yeah  
I look into the stars and I  
I can't help but wonder why  
I know you do the things that I  
Told you from the start  
I ain't perfect, no, oh-oh-oh, yeah  
Tell me why are we so distant?  
I miss you (Ooh)  
The real you  
All of you
