

## Feels So Good

S-X

Ooh, oh  
Open your mind for me  
Who would you like to be?  
Do you wanna ride with me?  
I know you do

Still, I can't get enough of it  
And you know you're loving it  
And I will never love another bitch quite like you, oh  
You gotta put trust me in me  
Don't ever worry 'bout another bitch, no  
She would never get what you would get, I got you

Oh, baby  
You know I mean it  
You know I'm crazy for it  
You know you are the one I'm looking for  
Oh, I should've saved it, baby  
But you make me wanna spend it all on you

'Cause it feels so good with you, baby, oh  
It feels so good with you, it feels so good, oh  
Yeah, it feels so good with you, baby, oh  
It feels so good with you, it feels so good, oh

Whoa, stop right there  
Tell me what you looking for, you don't know  
Do you need something more?  
Do you remember what you came here for?  
I know you don't, I know you more than you know you

Oh, baby  
It's so amazing  
You couldn't make it out  
You know you are the one I'm looking for  
I know you need it, baby  
'Cause you naked and my hands are all on you

And it feels so good with you, baby, oh  
It feels so good with you, it feels so good, oh  
Yeah, it feels so good with you, baby, oh  
It feels so good with you, it feels so good, oh  
And it feels so good with you, baby, oh  
It feels so good with you, it feels so good, oh  
Yeah, it feels so good with you, baby, oh  
It feels so good with you, it feels so good, oh
