

Good Time

S-X

I would hold you down but it's a final after
I don't want commitment, no, that's not what I'm after
I'm just looking for a good time with you
I could pull off things your exes can't do
So tell me do you want it like I want it
I'ma run around it, I got many options, yeah-ah-ah
You know my mind is always open
I'm just way too honest, way too- way too on it, yeah

I'm on the way, this time I mean it
I know I'm late and now I'm speedin'
You got something that I need, that's why I'm fiendin'
I don't want to spend the night and you don't wanna

Use the time we got a little wiser
I can make you lose your mind, we got little time left

I would hold you down but it's a final after
I don't want commitment, no, that's not what I'm after
I'm just looking for a good time with you
I could pull off things your exes can't do
So tell me do you want it like I want it
I'ma run around it, I got many options, yeah-ah-ah
You know my mind is always open
I'm just way too honest, way too- way too on it, yeah

Yeah, you know I'm there for you
I just need time to be sure I'm prepared for you
Yeah, you need to-

Use the time we got a little wiser
I can make you lose your mind, we got little time left and

I would hold you down but it's a final after
I don't want commitment, no, that's not what I'm after
I'm just looking for a good time with you
I could pull off things your exes can't do
So tell me do you want it like I want it
I'ma run around it, I got many options, yeah-ah-ah
You know my mind is always open
I'm just way too honest, way too- way too on it, yeah
