Looking For Me

S-X

There's something in your eyes I see, baby
When I'm looking at you

There's something in your eyes, I'm looking for a wild ride
Taking my time, I love it in the night time
Looking for a reason, what's it's gonna be then?
I do this every season, it's nothing new to me
I know, oh, I know, I know you got it, baby
I wanna try it, baby, send it for me (For me)

'Cause I'm not around no more, I'm not around no-
If you're looking for me, baby, oh, for me, baby
I'm not around no more, I'm not around no-
If you're looking for me, baby, oh, for me, baby
I'm not around no more, I'm not around no more
No, no, no, no, no

Baby, I know that I'm running around
I need some more time to figure it out
It's crazy I'm like that, don't wanna go out
You know I'm better off with or without
But why do you look like you're trying so hard
To make it all work out, you know I'm the one

'Cause I'm not around no more, no, I'm not around no-
If you're looking for me, baby, oh, for me, baby
I'm not around no more, I'm not around no-
If you're looking for me, baby, oh, for me, baby
I'm not around no more, I'm not around no-
If you're looking for me, baby, oh, for me, baby
I'm not around no more, I'm not around no-
If you're looking for me, baby, oh, for me, baby
I'm not around no more, I'm not around no more
No, no, no, no, no
