

Pick Up the Phone

S-X

Ready to go, yeah?
Just wait

I'll be there in a heartbeat for you
But where are you when I need you?
You know there's something about me
I never need 'em around, need you
And the one thing about me
I know, I need you around me, yeah
So glad you found me, yeah
So glad, yeah

You know I can't wait to get near you
You look good in the moonlight
I know you think that I don't hear you
I know I don't always move right
I know you don't want problems
So why we are always in drama?
I know it's life, I'd rather
One thing's for certain, and I know why
Don't wanna live a lie with you, although it hurts
I know that you did what you had to do, oh

'Cause I'll be there in a heartbeat for you
But where are you when I need you?
You know there's something about me
I never need 'em around, need you
And the one thing about me
I know I need you around me, yeah
So glad you found me, yeah
So glad you found me, yeah

So pick up the phone, baby, I'm coming home, baby, ah
So pick up the phone, baby, I'm coming home, baby, ah
Pick up the phone, baby, I'm coming home, baby, ah
Pick up the phone, baby, I'm coming home, baby, ah

You wanna turn light out
Well, let me show you the dark, baby

So pick up the phone, baby, I'm coming home, baby, ah
So pick up the phone, baby, I'm coming home, baby, ah
So pick up the phone, baby, I'm coming home, baby, ah
So pick up the phone, baby, I'm coming home, baby, ah

So pick up the phone, baby, I'm coming home, baby, ah
So pick up the phone, baby, I'm coming home, baby, ah
But what do I know, but what do I know?
But what do I know, but what do I know?
But what do I know, but what do I know?
But what do I know, but what do I know?
