

Sometimes

S-X

Yeah

Nothing is forever so let's make it last a day
Let's put it all behind us and forget 'bout yesterday
We said some things we didn't mean
I promise it's okay
But you sometimes, it's you sometimes
Disputes turned to arguments that you initiate
I overreact because my patience isn't tamed
We said some things we didn't mean
I promise it's okay
But you sometimes, it's you sometimes
And I know this feels worthless
I'm not trying to hurt you
And I'm not saying that I'm perfect
I just hope that this is worth it
And I'll show you on your birthday
Give it to you in the worse way
I promise that it's okay
But you sometimes, it's you sometimes

I feel alive, no I don't wanna feel it
Tried and I tried, I still don't know the meaning
I couldn't fly but it's time, yeah I'm leaving
It's you sometimes yeah, it's you sometimes yeah
I have no life so I write 'bout you
I don't know why because I need you
I can't live life without me and you
It's you sometimes yeah, it's you sometimes yeah

Fucked up, I wanna be alone
I can't get into my zone
I'd run in and nobody knows
It's you sometimes, it's you sometimes
But that don't mean that I don't want you
Cause all I really want is you
I'll do it for you if I got to
Cause you sometimes, it's you sometimes
I won't feel the pain no more
I don't feel the same no more
I can't even break no more

I feel alive, no I don't wanna feel it
Tried and I tried, I still don't know the meaning
I couldn't fly but it's time, yeah I'm leaving
It's you sometimes yeah, it's you sometimes yeah
I have no life so I write 'bout you
I don't know why because I need you
I can't live life without me and you
It's you sometimes yeah, it's you sometimes yeah
I feel alive, no I don't wanna feel it
Tried and I tried, I still don't know the meaning
I couldn't fly but it's time, yeah I'm leaving
It's you sometimes yeah, it's you sometimes yeah
I have no life so I write 'bout you
I don't know why because I need you
I can't live life without me and you

It's you sometimes yeah, it's you sometimes yeah
