

The Truth

S-X

Aha-aha, oh yeah

You can't handle the truth and that's why I don't tell it to you

I'll let you know I got you and then if it not get it for you
Stuck in the middle of happiness and negativity yeah

No more swag but I'll ride it out because I'm sticking with you
I wanna know when we're taking off 'cause I'm coming with you
I get down when you're not around because I fucking miss you
I get down when you come around because I miss you, girl
Co-come set some motions [?]

She said I don't talk and thinks I'm closed off
I'm just bein' going through it, now take your clothes off
Have you done this before? Girl, I hope not
You do it way too good, yeah

And let's go slowly, yeah
And I'll let you show me, yeah
What you was talking about
And I'll turn into the old me, oh yeah-eah-eah

You can't handle the truth and that's why I don't tell it to you

I'll let you know I got you and then if it not get it for you
Stuck in the middle of happiness and negativity yeah
No more swag but I'll ride it out because I'm sticking with you
I wanna know when we're taking off 'cause I'm coming with you
I get down when you're not around because I fucking miss you
I get down when you come around because I miss you, girl
Co-come set some motions [?]

Yeah, yeah, yeah
I'm leaving here with you
Yeah, oh, oh, oh
I'm leaving here with you
Oh, yeah, yeah
