Just need you time
If we fuck (Yeah)
You'll be mine
If that's too much
Then just one time
Come get me now girl before I'm gone (Yeah)
I'm fronting (Ayy)
I ain't gonna let you just run away (No)
I ain't giving up that easy (No, ayy)
You don't know what I'm gonna say tho (Ayy)
I ain't gonna let you just run away (No, oooh)

Respect the work I'm putting in
On you cause I know I'm gon win
I don't need lies or anything
Just truth and we're fine on everything
Don't tell me you love me tho (Ayy, ayy)

Just need your time
If we fuck (Yeah)
You'll be mine
If that's too much
Then just one time
Come get me now girl before I'm gone (Yeah)
