

## Too Late In the Night

S-X

It's a little too late in the night  
I could still give you what you like  
You know I'ma hit it right  
All night, you been on my mind

So I'm taking my time with you  
The limit's the sky when you  
Look into my eyes, I know  
It's one of a sign  
Imagine a life with you  
Remember the time, we do  
Everything right, I need you, ooh

Just pick up the phone, baby  
I'm coming home, baby, yeah  
Just pick up the phone, baby  
Just pick up the phone, baby  
I'm coming home, baby, ooh  
Just pick up the phone, baby  
Ooh-whoa
