

My new BFF will need to prove that they can party
And when this is over
I will have found my new BFF
Game on, bitches!

Molly is a friend of mine
She's so pure. She is divine
Just don't let her get too cut
When she's cut she is no fun

Lucy is my travel friend
We go on trips to Neverland
Gone for days at a time
Having the time of our lives

Charlie is my friend alright
We party, party every night
Hard and fast, then she's gone
She never lasts very long

Mary Jane my old friend still
We just like to hang and chill
Take a break, relax and eat
Then laugh and laugh till we can't breathe
