And that was a night! Happy Hardcore popped my cherry!
Hardcore popped by cherry
Happy Hardcore popped my cherry
Hardcore popped my cherry
Happy Hardcore...
Happy Hardcore...
Hardcore, Hardcore...
Hardcore popped by cherry
Happy Hardcore popped my cherry
Hardcore popped my cherry
Happy Hardcore...
Happy Hardcore...
Hardcore, Hardcore...
And that was a night! Happy Hardcore popped my cherry!

I went out to a rave, was the first time with my friends
I was a rave virgin, didn't know what to expect
But then I heard this music, so good that it was scary
And that was a night! Happy Hardcore popped my cherry!

Hardcore popped by cherry
Happy Hardcore popped my cherry
Hardcore popped my cherry
Happy Hardcore...
Happy Hardcore...
Hardcore, Hardcore...
And that was a night! Happy Hardcore popped my cherry!
Hardcore popped by cherry
Happy Hardcore popped my cherry
Hardcore popped my cherry
Happy Hardcore...
Hardcore, Hardcore...
I was all aloooooo...

I was all alone in my room just chilling out
Looking for some music to make me dance about
But then I heard this music, so good that it was scary
And that was a night! Happy Hardcore popped my cherry!
