Hey hey look at me
I'm what you want to see
I promise I'm for real
Not trying to deceive
Won't believe your eyes
You won't believe it's true
Just come with me right now
I'll take and show you

Ooohhhh
Oooooohhhhhh
You really thought I was
What you were looking for
Ooohhhh
Oooooohhhhhh
Guess I got in your head
You just got baited

Won't believe your eyes
You won't believe it's true
Won't believe your eyes
You won't believe it's true
You won't believe it's true
You won't believe it's true
Believe it's true
Believe it's true
Won't believe it's true
Ha! I got you

Ooohhhh
Oooooohhhhhh
You really thought I was
What you were looking for
Ooohhhh
Oooooohhhhhh
Guess I got in your head
You just got baited

Tee hee I'm sorry
Oh wait, no not really
It was my plan, you see
To be so so tricky
Time for me to run
To find another chump
Maybe I'll see you then
We'll do it all again

You really thought I was
What you were looking for
Ooohhhh

Guess I got in your head
You just got baited

Guess I got in your head
You just got baited
