S3RL

I know
No matter where you are
No matter near or far
You'll be my shining star
I know
That even when I'm low
You'll never let me go
Hold my tight and keep me close

You always know what I need
You pick me right up off of my feet
Spin me round and round the floor
To all my favorite hardcore
Dance more

You always know what I need
You pick me right up off of my feet
Spin me round and round the floor
To all my favorite hardcore
Hardcore
Hardcore
Hardcore
