S3RL

I'm stuck here in cyberspace and  
I can't get out to be with you  
What can I do to be with you

I see you click on all my links  
So you can see me everyday  
I'll have to wait while you masturbate  
While I wait I sing

Ooh la la la, ooh la la  
Ooh laaa  
Ooh la la [2x]  
[2x]

Masturbate, again

Ooh la la la, ooh la la  
Ooh laaa  
Ooh la la [2x]  
[2x]

If you download porn too much  
Sometimes I get viruses  
That's when I start to-o glitch-

I'm stuck here in cyberspace and  
I can't get out to be with you  
What can I do to be with you

I see you click on all my links  
So you can see me everyday  
I'll have to wait while you masturbate  
While I wait I sing

Ooh la la la, ooh la la  
Ooh laaa  
Ooh la la [2x]  
[2x]
