

## Next Time

S3RL

It was just a month ago  
Can't forget and won't let go  
It's in my mind all the time

I don't know if I will see  
The one I never got to meet  
I don't know but I can hope

Will I see you again?  
At the next cosplay event  
And will I recognise you next time?  
Our eyes met across the room  
We were in matching costumes  
Then I knew I just had to meet you

Will we meet again?  
I hope so  
Will we meet again?  
Next Time  
Will I see you again?  
At the next cosplay event  
And will I recognise you next time?  
Our eyes met across the room  
We were in matching costumes  
Then I knew I just had to meet you

I was cosplaying as Chi  
There you were as Hideki  
Not by chance but destiny  
Tried to find you after then  
But the day was at an end  
Maybe next we'll meet again

Will I see you again?  
At the next cosplay event  
And will I recognise you next time?  
Our eyes met across the room  
We were in matching costumes  
Then I knew I just had to meet you
