

Won't Let You Go

S3RL

I won't let you go
Won't let you go
Won't let you go
I won't let you go

They say it's forbidden
That life's not worth living
If you're not there right beside me
Even in the nether
We will stay together
Writing out our own destiny

In the darkness, in the light
You and I will be alright
I know, and so
I won't let you go
Either way we meet our end
I know I'll see you again
I know, and so
I won't let you go

Won't let you...
I won't let you go

Won't let you go
Won't let you go
Won't let you go
Won't let you go

I won't, let, you, go

If our dreams are shattered
Our wings ripped in tatters
We'll still find a way to soar
So come heaven or hell
No one will break this spell
Then we pass forevermore

Either way we meet our end
I know I'll see you again
I know, and so
I won't let you go
In the darkness, in the light
You and I will be alright
I know, and so
I won't let you go

Won't let you go
Won't let you go
Won't let you go
Won't let you go

Either way we meet our end
I know I'll see you again
I know, and so
I won't let you go
