

# Dance!!!

Saara Aalto

Oh, we're beautiful and down  
They say we're good gone bad  
Too many stories told  
The rules are getting old

Play the part, I'll play it too  
My body is good when I'm with you  
Tonight they will obey and we'll come on  
Come on and

Dance, dance, dance, dance!  
Like a wildfire  
Dance, dance, dance, dance!  
Like a wildfire  
Dance, dance, dance, dance!  
Let go, go let it burn  
It's the only way you learn  
Even though it's gonna hurt

Dance, dance, dance, dance!  
Like a wildfire  
Dance, dance, dance, dance!  
Like a wildfire  
Let go, go let it burn  
It's the only way you learn  
Even though it's gonna hurt

I know your heart's a mess  
Don't worry, love, don't stress  
Been holding back a week  
Go on, release the freak

You've played the part, I've played it too  
My body is good when I'm with you  
Tonight they will obey and we'll come on  
Come on and

Dance, dance, dance, dance!  
Like a wildfire  
Dance, dance, dance, dance!  
Like a wildfire  
Dance, dance, dance, dance!  
Let go, go let it burn  
It's the only way you learn  
Even though it's gonna hurt

Dance, dance, dance, dance!  
Like a wildfire  
Dance, dance, dance, dance!  
Like a wildfire  
Let go, go let it burn  
It's the only way you learn  
Even though it's gonna hurt

(We're dancing)  
Dance, dance, dance, dance! (We're dancing)  
Dance, dance, dance, dance! (We're dancing)

Dance, dance, dance!  
Oh yeah, ooh...

Dance, dance, dance, dance!  
Like a wildfire  
Dance, dance, dance, dance!  
Like a wildfire  
Dance, dance, dance, dance!  
Let go, go let it burn  
It's the only way you learn  
Even though it's gonna hurt

Dance, dance, dance, dance!  
Like a wildfire  
Dance, dance, dance, dance!  
Like a wildfire  
Let go, go let it burn  
It's the only way you learn  
Even though it's gonna hurt

Been holding back a week  
Go on, release the freak
