

# Forgiveness

Saara Aalto

Once I met a girl who asked me why  
Why I sing and raise my voice up high?  
Why I sing 'bout the pain, darkness and the sorrow  
When tears and betrayal could fade away?

And she said  
"Forgiveness, forgiveness, forgiveness  
Forgiveness, forgiveness, forgive"

Why don't you sing about the moon, the sun?  
How all the people on this earth are one  
Just sing about love, the joy when you miss somebody  
And you'll see, you'll receive all that you need

And she said  
"Forgiveness, forgiveness, forgiveness  
Forgiveness, forgiveness, forgive"  
Forgiveness, forgiveness, let's all embrace tomorrow  
Forgiveness, and we'll survive today

You'll see, time will heal, love will heal  
Your song will heal  
Ooh, time will heal, love will heal  
Your song will heal and we forgive

Just sing about the feeling you're alive (forgiveness, forgiven  
ess, forgiveness)  
We always do our best, at least we try (forgiveness, forgivenes  
s, forgive)  
Forgiveness, forgiveness, let's all embrace tomorrow  
Forgiveness, and we'll survive today

Just sing about the feeling you're alive (forgiveness, forgiven  
ess, forgiveness)  
We always do our best, at least we try (forgiveness, forgivenes  
s, forgive)  
Forgiveness, forgiveness, let's all embrace tomorrow  
Forgiveness, and we'll survive today  
Forgiveness, and we'll survive today  
Forgiveness, and we'll survive today
