

Indifferent

Sabina Ddumba

It's on you now
Cause everytime I turn over the cards it looks like you won
And we can't even talk no more
No, look what you've done
Everything you said to me
Everything it used to mean
We got nothing worth to keep
Not even the memories
All ups and downs, no in-between
And baby I'm so tired
I could deal with bittersweet, but now it's all sour
(It's all sour...)

Think you're so special
Don't even miss ya
Oh I thought we'd go the distance
But these days I'm so indifferent
What we had don't mean a thing
(Now what we had don't mean a thing, yeah)
Take some time, let that sink in
What we had don't mean a thing

You win some, you lose some
Lately we've been counting losses
Thousands of restarts and now we've run out of options
And I've tried to patient
But we're beyond saving cause
I could deal with bittersweet
But now it's all sour

Think you're so special
Don't even miss ya
Oh I thought we'd go the distance
But these days I'm so indifferent
What we had don't mean a thing
(Now what we had don't mean a thing, yeah)
Take some time, let that sink in
What we had don't mean a thing
Think you're so special
Don't even miss ya
Oh I thought we'd go the distance
But these days I'm so indifferent
What we had don't mean a thing
(Now what we had don't mean a thing, yeah)
Take some time, let that sink in
What we had don't mean a thing

Ooh, this ain't how I thought it would feel
All this empty space next to me
Maybe it just wasn't that deep (that deep)
That deep (that deep)
Ooh, we're so far from what we used to be
And it don't really matter to me
Baby, was it ever that deep? (that deep)
That deep (that deep)

Think you're so special

Don't even miss ya
Oh I thought we'd go the distance
But these days I'm so indifferent
What we had don't mean a thing
(Now what we had don't mean a thing, yeah)
Take some time, let that sink in
What we had don't mean a thing
Think you're so special
Don't even miss ya
Oh I thought we'd go the distance
But these days I'm so indifferent
What we had don't mean a thing
(Now what we had don't mean a thing, yeah)
Take some time, let that sink in
What we had don't mean a thing

(Now what we had don't mean a thing...)

(Don't mean a thing)
