

Time

Sabina Ddumba

What you thinking about?
What you thinking about?
What you thinking about?
'Cause I'm sure I'm thinking the same thing
There's no way around it, it's bringing me down
It's proving my doubts and I don't see anything changing
Tell me I'm wrong, say that we're strong
And lie to yourself, and pretend everything is okay
But the words I never hear make it so clear
We both know we're not gonna make, not gonna make it

If it's over, over
Well baby, you've been nice to know
It's really time we let this go
'Cause if it's over, over
We're just wasting time
We're just wasting time
If it's over, over
I should really set you free
Here's not where you're supposed to be
'Cause if it's over, over
We're just wasting time
We're just wasting time

'Cause when I look at that clock
The time never stops, so I'm just here thinking
Maybe we're about to run out
I don't know what I've done wrong
The flame is long gone, hard to go on
It fills me with misery and doubt
We try to pretend that this ain't the end
Making believe ain't gonna make it go away
But the words you never stay in my brain
Got me feeling like we're not gonna make it, not gonna make it
We both know we're not gonna make it
Oh, maybe we're not gonna make it

If it's over, over
Oh, baby you've been listening
It's really time we let this go
'Cause if it's over, over
We're just wasting time (time)
We're just wasting time (time)
If it's over, over
I should really set you free
Here's not where you're supposed to be
'Cause if it's over, over
We're just wasting time
We're just wasting time

The time that could be spent loving someone new
Time that could be spent getting over you
Time is going by at the speed of light
But I'm not gonna cry for this goodbye

If it's over, over
Oh, baby you've been listening

It's really time we let this go
'Cause if it's over, over
We're just wasting time (time)
We're just wasting time (time)
If it's over, over
I should really set you free
Here's not where you're supposed to be
'Cause if it's over, over
We're just wasting time
We're just wasting time
Over, over
We're just wasting time
We're just wasting time
