

# Alone Together

Sabrina Carpenter

[Intro]

I dare you to love me  
The pretty and the ugly  
If you're alone, I'll make it better  
We could be alone together

[Verse 1]

Oh, I could really like it  
Maybe we could carve it in the woods  
Oh, Florence in the spring time  
Love me in the meantime, wish you would

[Pre-Chorus]

But if we're all alone in a crowded room  
Maybe we could be alone, just me and you  
Baby, if you jump, then I'll jump too

[Chorus]

I dare you to love me  
The pretty and the ugly  
If you're alone, I'll make it better  
We could be alone together

[Verse 2]

Oh, strangers in the nighttime  
There's never a right time to say hello  
Yeah, everyone's your best friend 'til you get to know them  
But I know you

{Pre-Chorus}

And if we're all alone in a crowded room  
Maybe we could be alone, just me and you  
Baby, if you jump, then I'll jump too

[Chorus]

I dare you to love me  
The pretty and the ugly  
If you're alone, I'll make it better  
We could be alone together

[Outro]

I dare you to love me  
The pretty and the ugly  
If you're alone, I'll make it better  
We could be alone  
We could be alone  
We could be alone together
