Feather

Sabrina Carpenter

Oh, it's like that
I'm your dream come true
when it's on a platter for you
Then you pull back
When I try to make plans
more than two hours in advance

I slam the door
I hit "Ignore"
I say, "No, no, no, no more."
I got you blocked after this an after thought
I finally cut you off

I feel so much lighter, like a feather with you off my mind
Floating through the memories, like whatever, you're a waste of time
Your signals are mixed
You act like a bitch
You fit every stereotype, send the pic
I feel so much lighter, like a feather with you out my life
With you off my mind

Like a feather, like a feather, like a feather

It feels so good
Not caring where you are tonight
And it feels so good
Not pretending to like the one you like

I slam the door
I hit "Ignore"
I say, "No, no, no, no more."
I got you blocked
Excited to never talk
I, I'm so sorry for your loss

I feel so much lighter, like a feather with you off my mind
Floating through the memories, like whatever, you're a waste of time
Your signals are mixed
You act like a bitch
You fit every stereotype, send the pic
I feel so much lighter, like a feather with you out my life
With you off my mind

Like a feather, like a feather, like a feather

You want me, I'm gone
You miss me, no duh
Where I'm at, I'm up
Where I'm at

You want me, I'm done
You miss me, no duh
Where I'm at, I'm up
Where I'm at

You want me, I'm done, you miss me, no duh
I feel so much lighter like a feather with you off my mind

Where I'm at, I'm up, where I'm at
Like a feather, like a feather, like a feather

You want me, I'm done, you miss me, no duh
I feel so much lighter like a feather with you off my mind
Where I'm at, I'm up, where I'm at
Like a feather, like a feather, like a feather, yeah
