

Juno

Sabrina Carpenter

Don't have to tell your hot ass a thing
Oh yeah, you just get it
Whole package, babe, I like the way you fit
God bless your dad's genetics

You make me wanna make you fall in love
Oh, late at night, I'm thinking 'bout you
Ah, ah, ah
Wanna try out my fuzzy pink handcuffs?
Oh, I hear you knockin', baby
Come on up

I know you want my touch for life
If you love me right, then who knows?
I might let you make me Juno
You know I just
Might let you lock me down tonight
One of me is cute, but two, though?
Give it to me, baby
You make me wanna make you fall in love

I showed my friends, then we high-fived
Sorry if you feel objectified
Can't help myself, hormones are high
Give me more than just some butterflies

You make me wanna make you fall in love
Oh, late at night, I'm thinking 'bout you
Ah, ah, ah
Wanna try out some freaky positions?

Have you ever tried this one?

I know you want my touch for life
If you love me right, then who knows?
I might let you make me Juno
You know I just
Might let you lock me down tonight
One of me is cute, but two, though?
Give it to me, baby
You make me wanna make you fall in love

Adore me
Hold me and explore me
Mark your territory
Tell me I'm the only, only, only, only one

Adore me
Hold me and explore me
I'm so fucking horny
Tell me I'm the only, only, only, only one

I know you want my touch for life
If you love me right, then who knows?
I might let you make me Juno
You know I just
Might let you lock me down tonight

One of me is cute, but two, though?
Give it to me, baby
You make me wanna make you fall in love
