

# Please Please Please

Sabrina Carpenter

I know I have good judgment, I know I have good taste  
It's funny and it's ironic that only I feel that way  
I promise 'em that you're different and everyone makes mistakes  
But just don't

I heard that you're an actor, so act like a stand-up guy  
Whatever devil's inside you, don't let him out tonight  
I tell them it's just your culture and everyone rolls their eyes

Yeah, I know

All I'm asking, baby

Please, please, please  
Don't prove I'm right  
And please, please, please  
Don't bring me to tears when I just did my makeup so nice  
Heartbreak is one thing, my ego's another  
I beg you, don't embarrass me, motherfucker, oh  
Please, please, please (Ah)

Well, I have a fun idea, babe (Uh-huh), maybe just stay inside  
I know you're cravin' some fresh air, but the ceiling fan is so nice  
(It's so nice, right?)  
And we could live so happily if no one knows that you're with me  
I'm just kidding, but really (Kinda), really, really

Please, please, please (Please don't prove I'm right)  
Don't prove I'm right  
And please, please, please  
Don't bring me to tears when I just did my makeup so nice  
Heartbreak is one thing (Heartbreak is one thing), my ego's another (Ego's another)  
I beg you, don't embarrass me, motherfucker, oh  
Please, please, please (Ah)

If you wanna go and be stupid  
Don't do it in front of me  
If you don't wanna cry to my music  
Don't make me hate you prolifically  
Please, please, please (Please)  
Please, please, please (Please)  
Please (Please), please (Please), please  
(Ah)
