

# Tears

Sabrina Carpenter

Mm

Mm, mm

Uh

I get wet at the thought of you (Uh-huh)  
Being a responsible guy  
Treating me like you're supposed to do (Uh-huh)  
Tears run down my thighs

A little initiative can go a very long, long way  
Baby, just do the dishes, I'll give you (What you, what you, what you want)  
A little communication, yes, that's my ideal foreplay  
Assemble a chair from IKEA, I'm like, "Uh" (Uh)

I get wet at the thought of you (Uh-huh)  
Being a responsible guy (So responsible)  
Treating me like you're supposed to do (Uh-huh)  
Tears run down my thighs

A little respect for women can get you very, very far  
Remembering how to use your phone gets me (Oh so, oh so, oh so hot)  
Considering I have feelings, I'm like, "Why are my clothes still on?"  
Offering to do anything, I'm like, "Oh my God"

I get wet at the thought of you (Uh-huh)  
Being a responsible guy (So responsible)  
Treating me like you're supposed to do (Uh-huh)  
Tears run down my thighs

I get wet at the thought of you  
Being a responsible guy  
Treating me like you're supposed to do  
Tears run down my thighs

Dance break  
So responsible  
Oh

I get wet at the thought of you (Uh-huh)  
Being a responsible guy (So responsible)  
Treating me like you're supposed to do (Uh-huh)  
Tears run down my thighs
