

# Wildside

Sabrina Carpenter

My heart is racing  
Can't stop this feeling  
My ground is shaking  
Oh  
Wanna let go, go crazy  
Dance on the ceiling  
My world is waiting  
Oh

Don't wanna stop  
Give up. I want it all  
'Cause I just ain't had enough  
Keep up  
We're gonna show the world  
That there's just  
No stopping us  
No one can hold us back  
We're gonna break the rules  
Can't hold us back we're  
Gonna light the fuse in us

I'm living on the wildside, wildside  
No telling what I might find, might find  
No stopping 'cause it feels right, feels right  
I'm living on the ooh...  
On the wildside, wildside  
So ready now it's my time, my time  
No stopping 'cause it feels right, feels right  
I'm living on the ooh...

I used to think that  
Good things were so bad  
No need to hold back  
Not me, no more  
I'm walking this road  
I'm taking control  
My heart can't say no!

I'm living on the wildside, wildside  
No telling what I might find, might find  
No stopping 'cause it feels right, feels right  
I'm living on the ooh...  
On the wildside, wildside  
So ready now it's my time, my time  
No stopping 'cause it feels right, feels right  
I'm living on the ooh...

Don't wanna live my life by design  
Locked inside, break out  
Break the rules  
Light the fuse  
Something new  
That's right

I'm living on the wildside,  
No telling what I might find,  
No stopping 'cause it feels right, oh

I'm living on the wildside, wildside  
No telling what I might find, might find  
No stopping 'cause it feels right, feels right  
I'm living on the ooh...  
On the wildside, wildside  
So ready now it's my time, my time  
No stopping 'cause it feels right, feels right  
I'm living on the ooh...  
I'm living on the wildside, wildside
