

## Better Version

Sabrina Claudio

I made the perfect you in my head  
Cause physically you are the blueprint  
But internally, god damn you're a mess  
So to stay with you I had to imagine

That he is perfect  
Anything I give him, he deserves it  
Rarely does he ever come to see me  
But anytime he does he makes it worth it  
Like I earned it

God, I love him  
And when I'm with you, I can't help myself but only think about  
him  
I can't wait to see him again  
My god, I miss him  
And when I'm with you, I'm just thinking bout how much I wish i  
t was him  
I can't wait to see him again

More frequent visits would've been nice  
But I don't want you knowing that there's somebody new  
Sometimes the guilt will clog up my mind  
But is it cheating if I love a better version of you

Cause he is perfect  
Anything I give him, he deserves it  
Rarely does he ever come to see me  
But anytime he does he makes it worth it  
Like I earned it

God, I love him  
And when I'm with you, I can't help myself but only think about  
him  
I can't wait to see him again  
My god, I miss him  
And when I'm with you, I'm just thinking bout how much I wish i  
t was him  
I can't wait to see him again

My god, I miss him  
And when I'm with you, I'm just thinking bout how much I wish i  
t was him  
I can't wait to see him again
