

## Moan

Sabrina Claudio

Can we stay in bed a little longer?  
I'll do anything to stay awake  
'Cause then the morning comes and we'll be conscious  
And I just know our minds are gonna change

Gimme few more minutes of this feeling  
For right now time don't exist and  
Only thing I want realistically  
Is you to make me

Uh, uh, uh, uh  
Make me scream for you  
Uh, uh, uh  
Make me scream for
