

## Your Interlude

Sabrina Claudio

Don't get discouraged  
I know I was his for three years  
But he was a lesson  
For how I needed to prepare

For you  
You  
For you  
You  
For you  
You  
For you  
You

You are a blessing  
Feels like you fell from the sky  
You're what I been hoping  
What I been praying for at night

It's you  
You  
It's you  
You  
It's you  
You  
It's you  
You

You  
(I wanna feel this forever)  
You  
You  
(I wanna feel this forever)  
You  
You  
(I wanna feel this forever)  
You  
You  
(I wanna feel this forever)  
You
