

Gringo

Sabrina

(One, two, three, four)

Your love won't last forever

There is a strang

e incomprehension lying

I'd like to have a solution

Will you ever really understand?

I told my mama I'm happy I told her everything is alright

"But my life isn't easy

And everyday is going to be so hard!"

Gringo one, gringo two

Gringo tell me how long

Will I be at you

r side

Gringo, give me more

Gringo why

, gringo try

Gringo set me free

Loving you has made my life insane

I told her that you were so special

With your behaviour you hurt so much

You had my consideration

I can feel it c

oming from your touch

Gringo one, gringo two

Gringo tell me how long

Will I be at your side

Gringo, give

me more
