

Love Dream

Sabrina

Tell me it's a dream
Or my reality?
Time run so fast
It doesn't when I wait for you

That's my destiny
It's so strange
Looking in your eyes
I think I'll fall in love

Will you fight another day
It's hard to get away
And it's so cruel this hidden life
Please try to understand

We can find our freedom
And leave our troubles behind
Don't you know that I love you so
Just take my heart and soul

Come on and take me baby
And God will stay by my side
Don't you know that I love you so
I'll pray for my love
I'll take your hand and go (Ooh-ooh-ooh- ooh-ooh-ooh-ooh)

Come on!
You make my love dream true, You make my love dream true
You make my love dream true, (You make my love dream true)

(Come on and take me baby), You make my love dream true
(Ooh, You make my love dream true), You make my love dream true
(And leave our troubles behind), Hey, You make my love dream true

(We can find our freedom), My love dream true
(We can find our freedom), You make my love dream true
(We can find our freedom), My love dream true
(My side), You make my love dream true
Hey-yeah, You make my love dream true,
(You make my love dream true), Yeah

You make my love dream true, (You make my love dream true)
You make my love dream true, (You make my love dream true, baby)
You make my love dream true, (You make my love dream true, You make my
y love dream true)
You make my love dream true, (Ooh, hey yeah, come on!)
You make my love dream true, (You make my love dream true)
You make my love dream true, (You make my love dream true), Hey!
