

## Russian Lover

Sabrina

Verse in Russian

There's so much confusion here  
The spider falls on the floor  
The lion is waiting here  
I'm shedding all my tears for love

And I'll be waiting  
I'll be waiting for you  
Russian lover I will fight for you  
You're my heaven  
And I'm burning for you  
You're my angel and I dance for you

Verse in Russian

I miss you everyday  
I'll never forget your face  
You took my breath away  
I'm shedding all my tears for love
