

Fear Me

Sacred Warrior

I speak and the waves obey
I am governed by none
Sovereign over all
Wisdom begins and ends with me
All authority is mine
And I'll put an end to evil's reign

For vengeance is mine says the Lord
Fear me
Like you'd fear a raging fire
You'd never run into the flames
Respect keeps you from the pain
Or the raging of the ocean
You'd never jump into the waves
And sink to your grave
Fear me

To deny that I exist
Suppress the truth for a lie
Professing to be wise
The wrath I hold will be revealed
This world I will destroy
Judging all who reject my name

What does it profit a man
To gain the whole world and lose his soul?
