

# Desolation Alive

## Sacrifice

A vacant stare that can not be forgotten  
The emptiness of a body drained of soul and life  
The moment is here, the time to pay the price

I deliver sorrow  
I bring temptation  
I induce the end  
I am desolation

I answer none  
A haunting curse  
Every reflection  
Extinguished for eternity

I bring desolation

A haunting curse  
Hollow expression  
A countenance  
That will remain  
Close your eyes  
Feel the presence  
Of the departed  
Calling out your name

Desolation alive  
Forever I will remain  
Close your eyes  
And see your fate

When you look forward  
You see my face  
Waiting for you to expire

When the last grains of sand  
run through your fingers  
I will be there

When you are alone I am right behind you  
Turn around and look into the endless void  
You know my name, you know what I bring

I deliver sorrow  
I bring temptation  
I induce the end  
I am desolation  
Alive
