

# Driple Double

Sada Baby

DrumGod  
Hey  
Dumbass, ayy

Uh, shit got me hot, shit got me bothered  
Uh, niggas gon' get dropped, niggas gon' get slaughtered  
Uh, repent for your sins, so please pray to your Father  
Uh, no pass for your mans, give a fuck 'bout your daughter  
Uh, this drip on me here, it passin' for water  
Uh, don't need no help, just answer retarded  
Uh, smart bitch with me but the ass is retarded  
Uh, cold bitch with me but the head is fire

I need bands on time, or it's candle light  
We got handguns in the cabinet, by the canned goods, right?  
Watchin' grams, we was livin' at moms, off Stansville life  
Melvin had killed him, it's like them niggas shouldn've killed Uncle Ice  
I would've killed Uncle Ice, still buyin' bricks with the ice  
Cocaine slips off the ice, ten, ten, ten, ten, forty  
Six more tens, get a hundred, blacked out Benz in the slums  
Hop out then spin a drum, crack dawg ribs for fun  
What's your business? None, that's your business, nah  
Man, my business there, never mind the law  
Just made me a dub off all kinds of raw  
Not gon' hit the club, I'm gon' hit the booth  
I'm gon' sip the juice, gang gang here to shoot  
Not no video, they aim them clips at you  
I just whipped a fool, made them dishes do  
Ain't talkin' 'bout no food, plates got residue  
Ain't talkin' 'bout they dirty, bitch, you can't even use 'em  
Eat off one them plates, your ass ain't gon' be human  
My baby boo say, "Do it, you can, you can do it"  
I done damn near done it all before some music  
Ooh, it's over, Ruccis, I don't drive, nigga  
While I'm high, nigga, I won't even ride with you  
Kush in the slab, the cab, keepin' them pies on me  
Press on my Magnum, have my lil' nigga slide for me, huh

Uh, shit got me hot, shit got me bothered  
Uh, niggas gon' get dropped, niggas gon' get slaughtered  
Uh, repent for your sins, so please pray to your Father  
Uh, no pass for your mans, give a fuck 'bout your daughter  
Uh, this drip on me here, it passin' for water  
Uh, don't need no help, just answer retarded  
Uh, smart bitch with me but the ass is retarded  
Uh, cold bitch with me but the head is fire, huh
