

VOID

Sada Baby

Dream Beard
Real pain
Real pain
Still talking 'bout real pain
Real pain

Another fall into the void
Another day I can avoid
I'm not feeling anything at all
Now I'm banging on the walls

Man, I'm a god
Don't believe me? You can ask your broad
Satan, my dawg (What else?)
Coke in the kitchen, drugs in the garage (What else?)
The faucet is broke (Okay)
Your head is a noose, and my heart is a rope (DB?)
But, baby, don't choke (Yah)
And what I just said is a sick little joke (Yah)

Swerving a lane
'Cause you're in my veins
In my mind
In my brain
Yeah, you make me insane
Another girl from the block, from the streets, from the 'jects came
Correct with the neck (What else?)
But I ain't a fan of the flex (What else?)
But I'm still a fan of the sex
Another one to the head

I'm over the limit
And I don't even feel it
Oh my God, oh my God, I'm so close
You can't hear the lyrics
If you could, you'd probably fear it
But you're so gone, I can't hear it
And if I do, I'll probably steer it into the abyss
'Cause I need a fix
Don't need to exist
(So I exist)

Scuba Steve Nickleback, ah
Spin they block to some Aerosmith, no
My band name Blickelback, ah
Shoot the stick, case the arrow, miss, ye
I'm Blick Jagger, not Mick Jagger, what I said, huh
Fish tank full of diamonds, bout the Benjamins
Mike Caps knowing Johnny Depp's with the plan
Make a nigga gone, want the plane came down my pants (I need a fix)

Click clack
Big strap
Get ya bitch smacked, ah
Get ya bitch smacked
Get ya bitch smacked, ah
Get ya bitch smacked, ah

Big strap, ah
With the click clack

With the click clack, uh
Big strap, ah
Get ya bitch smacked
Get bitch smacked, ah
Big strap, ah
With the click clack
You can get ya shit back
Put ya shit back

Another fall into the void (What else?)
Another day I can avoid (What else?)
I'm not feeling anything at all
Now I'm banging on the walls

I can't talk to you
In a brand new vet
Pussy boy, I can't walk to y'all
Dream beard brought a bottle
Dream beard
Dream beard broke a bottle on a barrel
Think we sippin mazel tov
'Sho 'nuff
