

the pride...the envy...the wrath...
the sloth...the greed...the gluttony...
the lust...all of the sins

coming darkness...It approaches without the sound.
yoki sezuni missing
fear in silence...It's looking for crying face.
yokubari na secret

You want to make me bleed just like you.
You want to torment me like you.
(Do it Do it)
Let you give me the hatred and this sadness.
Let you give me a time of despair.
(Do it Do it)

invade...
kaguwashiku yurameku sense nigemado'u
kami wa konai daremo konai
I fade away and wither now.
3...2...1...lost

Break out just like a viper instantly.
Wake up to this nightmare that will never end.
Break out just like a viper instantly.
Wake up to this nightmare that will never end.

aa, zetsubou o kyougaku suru death sounds
maybe you lucky maybe you scary
Cut your self and scream.

invade...
karamiau rasen no shape karada o hau
ochiteyukeba nanika mieru
I fade away and wither now.
3...2...1...lost

Break out just like a viper instantly.
Wake up to this nightmare that will never end.
