

Torture

Sadus

We need D.T.P.
Death to posers is what I mean
Stand tall, never Fall
We will Rise to kill them all
There's an Evil in your Brain
Driving you fucking Insane
Torture
Fighting off
The Evil in your Brain
At any Cost
To Release you from this Pain
Death will come
The final Sign will arrive
To torture your Mind
Anybody from deep inside
Torture
Torture
There's an evil in your Brain
Driving you fucking insane
Torture
Fight!
