

## Ice Cream Trip On An Acid Van

Saez

Never wanted to leave this way  
Never thought I'd want it to end  
But now that I've woken you up  
Can I lie with you ?

Never wanted to close my eyes  
Never thought I would enjoy it  
But now that I have met you  
Can I leave with you ?

Would you take me with you ?  
Would you take me with you ?  
Please, take me with you  
Just take me with you
