

Embracing Me

SAFIA

Said you say
You wanna be alone
But someone loves you more than you know
Breath slow
'Cause you don't know
You don't know
'Cause you don't know
All the things that could set you free
Like embracing me
(Like embracing me)

Said you say
You wanna be alone
But someone loves you more than you know
Breath slow
'Cause you don't know
You don't know
'Cause you don't know
All the things that could set you free
Like embracing me
Like embracing me

Said you say
You wanna be alone
But someone loves you more than you know
Breath slow
'Cause you don't know
You don't know
'Cause you don't know
All the things that could set you free

Like embracing me
Like embracing me
Like embracing me
Like embracing me
Like embracing me
Like embracing me
Like embracing me
Like embracing me

Whatever sets you free
Sets you free
Whatever sets you free

Said you say
You wanna be alone
But someone loves you more than you know
Breath slow
'Cause you don't know
You don't know
'Cause you don't know
All the things that could set you free

Like embracing me
